ISRA Case No. 86009
Progress Reports Dated: 7/31/95,
10/27/95 and 1/24/96
Our File No. 3598.23357

Dear Mr. Migliarino:

This letter will respond to the letter of the NJDEP dated May 23, 1996 and received in our offices on May 30, 1996. In that letter the NJDEP requested that Hexcel provide the Department with a revised Remedial Action Schedule within 30 days of receipt of the letter. Accordingly, this revised schedule would be due by June 30, 1996. In view of the fact that a quarterly report is scheduled to be submitted to the Department by July 31, 1996, we would respectfully request that the Department agree to an extension until that time to submit the required revised schedule. In addition, Hexcel will respond to all other NJDEP comments warranting a response at the same time. Unless we hear otherwise
